MISCELLANEOUS

The camp meeting and conference this year was in every way a great gathering in attendance, spirituality and results. The conference never greeted Bishop and Mrs. Sellew quite so heartily. General Conference Evangelist B. W. Huckabee and wife were with us for the first time and were a great blessing to the work. He preached twice each day, usually. His sermons were strong presentations of the old truths of the gospel and were effective in results.

The reports of pastors were exceedingly encouraging, the totals showing a gain of 110 members and sixteen probationers. Splendid work has been done among the Mexican and Japanese people during the year. Brother and Sister Kawabe from Japan were present and plan to follow the conference in work among the Japanese people for several weeks.

A wave of church building has struck the conference. Two permanent churches in every way creditable to the denomination were dedicated during the year, one at First Church, Los Angeles, and one at Ontario. Hermon is rebuilding to meet its needs and San Bernardino is building. Two home mission properties were acquired during the year.

Three traveling district elders were elected, one being placed on the Arizona work, where evangelistic fund will be appropriated to develop the field with the ultimate view of organizing a conference.

Courage is the watchword for the coming year.

MISCELLANEOUS

The twenty-third session of the Oklahoma Conference was held in the park at Kingfisher in connection with a camp meeting, August 17-21, 1921. Bishop Sellew was present and presided with grace and dignity. His addresses and sermons were inspirational to the conference. Sister Sellew was present, representing the Publishing House, and had a good sale of books. We would welcome them again.

The attendance at the services was good and we believe a good impression has been made on the community for Free Methodism.

A new feature of the meeting was the cooperative dining hall, which proved satisfactory and more economical than the former way of boarding ourselves. Brother Brown worked hard to carry this department and make it satisfactory and successful, and all the credit is due him and his able assistants for this success.

Our visiting brethren this year were President Stoll and Prof. Helsel, of Central College, McPherson, Kansas; S. V. Coe, of the Life Line Orphanage,

Kansas City; and Mrs. Jenne Harroun Howland, of the McKinney Junior College, McKinney, Texas. They represented their respective interests.

The treasurer's report shows all assessed claims paid. There was a deficit, but this was raised by a collection on Sunday. The conference assessments of 25 cents per member for Conference Missions and 25 cents for Conference Entertainment were also raised.

MISCELLANEOUS

The thirty-seventh session of the West Iowa Conference was held in Le Mars, Iowa, August 24-28. Bishop William H. Clark presided with great acceptability, conducting business with dispatch. His sermons were deeply spiritual and highly instructive and found a hearty response in the hearts of the hearers. A spirit of harmony and love characterized the proceedings as a whole. McPherson Academy and College was represented by Paul R. Helsel, whose preaching was received with interest. Rev. D. J. Williams, of the North Iowa and Minnesota Conference, represented the Publishing House, and delivered a very instructive and spiritual sermon. C. L. Howland, of McKinney Junior College, represented the needs of the school and a subscription of over \$400 was taken. W. W. Whyte, of the Nebraska Conference, and S. L. Gilkison, of the Iowa Conference, united with this conference by transfer. Bishop William H. Clark preached the missionary sermon Sabbath afternoon, which was very inspiring. A spirit of blessing and victory rested on ministers and laity.

MISCELLANEOUS

The fifty-seventh annual session of the Michigan Conference was held at Fort Wayne, Indiana, August 24-27, 1921. Bishop William Pearce presided, and came in the "fulness of the blessing." His sermons and addresses were greatly appreciated and especially his patient and impartial manner in presiding over the conference.

The pastor of the local church, J. G. Fortress, with the pilgrims and friends entertained the conference in the most splendid and hospitable manner. Sister Fortress planned the meals which were served in the basement of the church. No fault could be found and no conference was ever served better food.

Mrs. Lillian Agnew and her son, Harry, were with us in the interests of missions, and were greatly appreciated because of their spirituality and interesting addresses in the missionary meeting held Sunday afternoon, in which over \$450 was raised for our missionary work. The W. F. M. S. reported \$4,389.84 raised for missions during the year. The president, Mrs. W. C. Muffitt, is untiring in her work and interest in this worthy cause.

The usual spirit of liberality was manifest as the various causes were pre-

sented. Over \$1,000 was raised for the Spring Arbor school; about \$300 for the parsonage at South Bend, and an offering for S. A. Whitmore of over \$40.

The conference took action ordering that an amount of \$1.00 a member be raised on the various circuits in the coming ten weeks to meet pressing needs of the school and to pay \$3,000 borrowed from the bank.

The committee appointed to raise funds to publish the Minutes raised \$62.05 for the same.

The conference requested the General Missionary Board to grant the following: Ann Arbor, \$50; Benton Harbor, \$50; Sherwood, \$50.

The following were elected as a committee to confer with the North and East Michigan Conferences relative to inviting the next General Conference to Corunna, Michigan: H. Montgomery, W. C. Muffitt, John Timbers.

The conference took action indorsing the request made by the Ann Arbor society in asking \$700 of the General Church Extension Board to finish their church.

The \$74.00 in the hands of the conference treasurer from the sale of the church lot at Whiteford was ordered given to the Temperance society to repair their parsonage.

The board of trustees of the Spring Arbor Seminary requested the conference to nominate two trustees to fill the vacancies made by the expiration of the time of W. C. Muffitt and G. H. Peters. They were nominated to succeed themselves on this board.

MISCELLANEOUS

The sixteenth session of the South Africa Conference convened at Fair View Mission Station, Umzumbi Rail, Natal, South Africa, March 23. There were five sittings of the conference, and ten of the missionaries' meetings.

Though our president had just been passing through affliction in the illness and death of our dear Sister Ryff, he presided through this strenuous session with ability, and a quiet, Christlike spirit. He was elected on first ballot to preside again next year.

Our ranks have been broken this year not only by the passing of Sister Ryff, but also by the death of one of our native overseers at Inhambane, a conscientious and godly man, in the person of Stefane Munyeketi. He was torn and mangled by an attack from a lion while trying to drive the beast out of his kraal. We mourn the loss of these from our number, but press forward to fill up the ranks.

MISCELLANEOUS

The Kansas Conference held its fifty-second session in Woodland Park, Lawrence, Kansas, August 24-28, in connection with a camp meeting which began on the 18th. General Conference Evangelist A. D. Zahniser, E. S. Zahniser and F. Lincicome were the invited help. Their earnest sermons, exhortations and inspiring singing were much appreciated and resulted in great good, there being many souls saved and cleansed. We again welcomed Bishop Walter A. Sellw as the presiding officer. His fine manner of conducting the business of the conference, the excellent spirit he showed and his masterly, eloquent and

deeply spiritual sermons and addresses endeared him to all, and our earnest wish and prayer are that he may be spared to the church for many years of active service. Miss Grace Allen and Mitsu Kawabe were present for the missionary service on Sabbath afternoon, each giving a very fine missionary address.

Rev. C. E. Bess was ordained deacon and Rev. J. E. Wade, local deacon. A memorial service was held in honor of Rev. J. A. Chaney, who had passed on during the year.

Nearly \$3,500 was raised at this session of conference for the different interests of the church. A forward aggressive movement in connection with the work of Free Methodism in this conference prevails and with this spirit upon us we go forth to our different fields of labor expecting to see great things accomplished in the Master's name.

MISCELLANEOUS

The forty-eighth session of the Iowa Conference was held in Waterloo, Iowa, September 7-10. Bishop W. H. Clark was with us for the first time as conference president. His talks to the conference each morning were practical. He preached several times and his messages were clear and pungent. The power of the Holy Spirit was upon the preacher and the saints. The business sittings were harmonious.

Among those who visited the conference were Prof. S. E. Cooper, principal of Evansville Seminary, and Rev. George Mustard, of the Illinois Conference.

Rev. F. L. Baker represented the Publishing House, and also preached a stirring missionary sermon on Friday evening.

The conference was comfortably entertained by Rev. T. J. Fuller and his faithful coworkers.

MISCELLANEOUS

The sixty-first annual session of the Susquehanna Conference was held at Endicott, New York, September 14-18, 1921. Bishop David S. Warner presided with grace and general acceptability. The pastor and people at Endicott did nobly in entertaining the conference.

Two interesting missionary meetings were held, one on Wednesday, addressed by Rev. W. B. Olmstead and Rev. and Mrs. T. Kawabe, and the other Friday afternoon, addressed by Rev. L. H. Hendren and Miss Nellie Whiffen. There was raised at these meetings in cash and subscriptions \$1,150.

A very impressive memorial service was held for Rev. T. C. Givens, one of the oldest members of the conference, who had died during the year.

MISCELLANEOUS

The twenty-sixth session of the West Ontario Conference was held at Charlemont, Ontario, August 24-28. Bishop D. S. Warner came to us in the fulness of the blessing of the gospel of Christ and presided with grace and general acceptability. His sermons and addresses were of a high order and were a wonderful blessing to us.

This session no doubt was one of the most important yet held. The reports of the preachers as a whole were encouraging. On Sabbath morning about \$1,200 was taken in subscriptions for a proposed new church at Niagara Falls and also \$300 was taken in cash and subscriptions for the repairing of the church and parsonage property at Charlemont. The W. F. M. S. reported

a good year financially. Love and harmony prevailed throughout the session and we believe progress was made toward the furtherance of our cause in this vast dominion. The conference was royally entertained by the Charlemont and Zion pilgrims, the pastor, W. J. Cowherd, being abundant in labors.

MISCELLANEOUS

The East Ontario Conference assembled for its twenty-sixth session in the village of Frankford, Ontario, August 31 to September 4. Frankford is situated in a beautiful section of country on the Trent River, about fourteen miles northwest of Belleville. The Frankford society with their pastor, Rev. L. Slingerland, provided excellent entertainment.

The presence of Bishop D. S. Warner was highly appreciated. He is a man whom nature has formed in no ordinary mold and in whom Christian dignity, humility, firmness, piety and persuasiveness seem admirably blended. His ministrations were eloquent and impressive and his sermons delivered with authority and gravity, attended with a divine unction that made them refreshing as the dew of heaven. Although a ripe, classical scholar, he did not indulge in ostentatious display of language, but delivered his addresses with beautiful simplicity and well chosen words. Revs. W. J. Cowherd, B. E. Stevenson and R. Bloye, of the West Ontario Conference, were in attendance and assisted in making the religious services a success.

REPORTS OF COMMITTEES

I.—ON MEMOIRS

REV. CHARLES A. FLEMING was born in Taswell county, Illinois, December 2, 1853. He was converted about the twenty-seventh year of his life and joined the Methodist Episcopal Church. About six months after his conversion he was sanctified. In the year 1880 he joined the Free Methodist Church and at once threw all his faculties into the work of saving souls. The same year he joined the Central Illinois and Indiana Conference.

In the first year of his ministry he organized four new societies, including the society at Greenville, Illinois. He was the first district elder of what is now the Wabash Conference. For seventeen years he was traveling district elder in the Central Illinois Conference. In 1906 he transferred to the Wabash Conference, laboring as conference missionary, district elder and pastor until God called him home. His ministry was peculiarly evangelistic on the line of full salvation. He combined well the work of preacher and pastor. He was one of the charter members of the Board of Trustees of Greenville College, which place of trust he held till his death. According to God's Word the "last end of that man is peace." There were no storms on the Jordan shore, no ripple on the wave when he "crossed the bar." His last week on earth was spent in visiting and praying with the people, and in preparing for the Sabbath services. He retired on Saturday evening in usual health. In the night the call came suddenly and he obtained his great desire expressed by John Wesley, "Oh, that without a lingering groan I might my body with my work lay down and cease at once to work and live."

REV. J. L. DUVALL was born June 15, 1859, near Baltimore, Maryland. When seventeen years of age he removed to Terre Haute, Indiana, and later to St. Joseph, Illinois. He was converted when twelve years of age. In 1886 in a great revival at Marshfield, Indiana, held by Rev. S. H. Lewis and Rev. A. P. Harrell, he was clearly sanctified and became one of the charter members at Marshfield. He was ever after a witness to full salvation and lived a beautiful Christian life before the world and in his family. Being endowed with gifts for revival work, he soon entered the evangelistic work and labored successfully in that capacity for a number of years. Having a fine voice, deep spirituality and a pleasing personality, he made many friends and was much in demand in special meetings. He was married to Miss Ella Ballew, May 26, 1897. To this union were born three children: Mrs. Nellie Olive Stone, Kenneth L., and Amelia Ruth, who reside in Urbana, Illinois. Brother DuVall joined the Wabash Conference in 1897, and for twenty years labored faithfully on various fields of labor. On account of failing health he superannuated in 1917. In his last sickness his suffering was long and severe, but through it all he was triumphant. He entered into rest April 11, 1921.

"Servant of God, well done,
Thy glorious warfare's past,
The battle's fought, the race is run,
And thou art crowned at last."

MISCELLANEOUS

The forty-eighth session of the New York Annual Conference was held in the Rescue Mission, Allentown, Pennsylvania, September 21-25. Bishop David S. Warner presided with grace and ability. His ministration of the word was in power and demonstration of the Spirit. Seven harmonious sittings were held. We were pleased to welcome the following ministerial brethren from other conferences: J. A. Watson, North Michigan; G. W. Garlock, Central Illinois; C. A. Fox, Susquehanna; C. L. Howland, Texas; W. W. Warner, Genesee. The W. F. M. Societies have raised during the year about \$4,500 for foreign missions. On Wednesday evening they presented Rev. and Mrs. T. Kawabe, of Osaka, Japan, who gave very interesting addresses on our work in Japan.

A very interesting conference Sunday-school was held on Sunday afternoon, preceding which H. A. Frederick and G. K. A. Haase were ordained deacons.

The entertaining society and pastor left nothing undone which would add to the comfort of those in attendance.

MISCELLANEOUS

The forty-third annual session of the Ohio Conference was one of the best in recent years. Bishop Warner came to us in the fulness of the Spirit. His addresses to the conference were well appreciated. There were many who sought the Lord during this session. The reports of the pastors were good and showed no compromise, but a determination to stand for the old rugged cross was revealed time and again. We were pleased to have several visiting ministers present.

MISCELLANEOUS

The thirty-fifth annual session of the North Minnesota Conference was held at Burtrum, Minnesota, September 14-18. Bishop William H. Clark presided in a satisfactory manner and with ability. His rich, spiritual and practical sermons were blessed to the good of his hearers, bringing light and conviction. We especially rejoiced at the firmness with which he stands by the old landmarks, decrying in no unsparing terms any digression from the principles or practises of our beloved Zion. His talks to the conference were rich in practical thoughts and useful suggestions. Rev. F. L. Baker was present in the interests of the missionary work, also representative of the Publishing House.

He preached with the unction of the Spirit several times, also preached the missionary sermon Sunday afternoon and took an offering of \$250.80 in cash and subscriptions. A precious spirit of brotherly love prevailed. Some pronounced it one of the most harmonious sessions we ever held. The religious services were spiritual. A number of seekers presented themselves at the altar for pardon and purity, several coming out into victory. The appointments were generally well taken and we go forth with a renewal of faith and courage for another year's work.

MISCELLANEOUS

The ninth session of the Georgia and Florida Conference was held in the Free Methodist Church, Atlanta, Georgia, September 21-25. Bishop Pearce was

in fine form. His addresses to the conference and sermons at the other services were thoroughly enjoyable, being marked by depth, breadth and clearness. We were much pleased with Brother Baker. He preached three times to the edification of the saints and conviction of sinners. After his missionary address Sabbath afternoon, about \$450 was raised in cash and subscriptions. The reports were excellent considering the present financial depression. The increase in membership was fair. We still believe in the possibilities of this territory and have faith in its future prosperity in a large way.

MISCELLANEOUS

The Louisiana Conference was never more royally entertained than at Grand Bay. Every one seemed untiring in effort to make things pleasant for the visitors. There were four harmonious sittings, at which Bishop Pearce presided with grace and ability. We felt deeply thankful to God for having spared this splendid man to once more preside at our annual conference. His sermons and addresses were indeed edifying to all. Rev. F. L. Baker was an

inspiration to all and his sermons a great help to the entire conference. After a splendid address on foreign missions on Sunday evening, an offering amounting to more than \$275 was taken in cash and subscriptions. Bishop Pearce preached the dedicatory sermon on Sunday morning, dedicating the Grand Bay Church, a splendid edifice, a credit to the pilgrims.

MISCELLANEOUS

The thirty-ninth annual session of the Pittsburgh Conference was held in the Free Methodist Church of Fairchance, Pennsylvania, October 5-9. Bishop D. S. Warner presided and endeared himself to our people by his gentle manner in presiding over the conference and his unctuous addresses on Wednesday evening and Sabbath morning. The session throughout was blessedly harmonious and in perfect keeping with former sessions. The work of the stationing committee was easily accomplished in three afternoon sessions to the almost entire satisfaction of all concerned as was shown by the way the appointments were received. The entertainment was unusually fine, credit for which is due to three things: the good pastor and wife assisted by their people, the Baptist Church so generously loaned for serving purposes and the splendid work done by Sister Moore as chief cook and her corps of workers. All those served at the large tables voted the meals to be the best ever. About \$1,500 was subscribed for McKinney and Chili schools about equally divided. Over \$1,100 was subscribed in the missionary meeting for the training school in Japan. Nearly \$3,000 was raised for all purposes. The following preachers were introduced to the conference and invited to honorary seats: J. A. Watson, Publishing House representative, of the North Michigan Conference; C. L. Howland, of the Texas Conference; D. B. Tobey, of the Oil City Conference; George Garlock, of the Central Illinois Conference; the missionary secretary and Rev. and Mrs. Kawabe.

MISCELLANEOUS

The twenty-fourth annual session of the North Dakota Conference has passed into history. Though not so largely attended as in other gatherings, it was pronounced by many to be the best. Unity and harmony characterized

all of its sittings. The religious services were owned and magnified by the presence of the Lord. The preaching was of the highest order, unctuous, and full of grace. Bishop Clark greatly endeared himself to the hearts of the people by his impartial manner in presiding over the sittings and his able addresses to the conference. We shall look forward with pleasure to the time when he will be with us again.

We were pleased to have with us Rev. S. Ada Hall, of the California Conference; Rev. Forrester and his wife, of the Alberta Conference; and Rev. G. T. Klein and Rev. J. D. Lockard, of the Columbia River Conference, who by their presence and able ministry were an inspiration to the session. The appointments were generally well received and we go to our respective fields of labor determined to drive this battle on.

MISCELLANEOUS

The twenty-sixth annual session of the Kentucky and Tennessee Conference was the most largely attended of our history and was hospitably entertained by the friends of Gallatin. A spirit of faith and courage was predominant among the preachers, delegates and visitors. Finances were raised in full. The Woman's Foreign Missionary Society raised over \$300 in cash and subscriptions. Bishop Pearce's messages were enjoyed by all and were marked by an element of strength in advance of his former visits. His conference addresses were very helpful and were largely attended by the public.

MISCELLANEOUS

The seventh session of the East Texas Conference was held in Houston, Texas, October 5-8. Bishop William Pearce presided with his usual grace and dignity. His preaching and addresses were especially appropriate, unctuous and effectual. Rev. F. L. Baker, field secretary of the General Missionary Board, was present looking after the interests of the church and preaching very profitably. We shall welcome his return at any time. There were four harmonious sittings and a spirit of perfect brotherly love was felt. Though this is the smallest conference in the connection, we hope it will not remain so, and by the good mercies of our heavenly Father we propose to go forward to better things.

CONFERENCE CLAIMS—Assessed and paid in full.

MISCELLANEOUS

The Texas Conference held four harmonious sittings with Bishop Pearce in the chair. He presided over the conference in a most able manner. His sermons and addresses were highly profitable and were enjoyed by all who heard him. Rev. F. L. Baker, field secretary of the General Missionary Board, was present and preached several times during the conference. The Woman's Foreign Missionary Society held a public service on Sunday afternoon, at which time Brother Baker preached a missionary sermon. The offering in cash and subscriptions amounted to \$335.66.

EXECUTIVE COMMITTEE

The Executive Committee met in its regular annual session at the Free Methodist Publishing House, Chicago, Illinois, October 26, 1921.

Present—W. A. Sellew, W. Pearce, W. H. Clark, D. S. Warner, M. B. Miller, A. Sims, J. A. Watson, G. W. Griffith, F. D. Brooke, H. Hoyt, J. M. Daniels, E. A. Holtwick, B. L. Perkins, C. I. Tenney—a full board, except A. Beers, deceased, and G. B. Lambert.

The following were elected Directors of the Publishing House: D. S. Warner, W. H. Clark, M. B. Miller, G. W. Griffith, J. M. Daniels, C. I. Tenney, E. A. Holtwick.

Upon petition from members residing within the bounds of the old North Indiana Conference which was dissolved in 1913, the Executive Committee ordered its reorganization at the time of holding the annual conferences next fall.

Rev. Alexander Beers, who had been a member of this body since 1903, having died since the last annual meeting, a memorial service was held at one of the sittings.

Rev. N. W. Fink was elected treasurer of all the church funds administered by the Committee.

The Committee gave indorsement to the plan of the American Bible Society to celebrate the last Sunday of November each year as universal Bible Sunday. On this day an offering is to be taken in each society for the Bible Society.

T. H. Marsh, of the Washington Conference, was elected to fill the vacancy

in the Executive Committee occasioned by the death of Rev. Alexander Beers.

B. J. Vincent tendered his resignation as a representative of Seattle Pacific College on the Board of Education, which was accepted. W. B. Olmstead offered his resignation as representative of Wessington Springs Junior College, and the resignation was accepted.

B. J. Vincent was elected a member of the Board of Education, to fill the vacancy occasioned by the resignation of W. B. Olmstead. T. H. Marsh was elected a member of the Board of Education to fill vacancy caused by B. J. Vincent's resignation.

The apportionment for bishops' salaries for the coming year was fixed at 25 cents a member.

Arrangements were made perfecting the operation features of the Church and Parsonage Aid Society. It was decided that all churches and parsonages automatically come within the benefits of the aid fund in case of loss. All societies or boards of trustees holding church or parsonage property are required to fill out a proper blank describing the property, its location, value, etc., on blanks to be furnished by Rev. M. B. Miller. The secretary was instructed to inform the official boards, through the *Free Methodist*, that it is the sense of the Executive Committee that those churches and parsonages which are now carrying insurance in old-line companies shall not have the policies cancelled, but the same shall be allowed to operate until the expiration of said policies. This is to enable such churches and parsonages to have sufficient protection while the church aid fund is accumulating.

A proposition from J. J. Harrington & Co., concerning the erection and occupancy of a building upon part of the Publishing House property was referred to the Board of Directors, with power to act.

The secretary was appointed a committee to set forth the needs of the General Conference as to the entertainment of its next session and to receive invitations for the same.

The next annual meeting of the Executive Committee is to be held on October 25, 1922.

The local treasurers handling budget money were urged to turn over one-fourth of budget money received to the local W. F. M. S. as provided by a former action of the board.

The bishops were requested to write and sign a letter addressed to the district elders, and preachers in charge of circuits, urging them to follow up the budget campaign by collecting the subscriptions and securing new ones.

B. J. Vincent was authorized to put on another reading campaign in conjunction with the W. F. M. S. and the Sunday-schools.

On recommendation of L. G. Lewis, manager of the subscription department, the following plan to facilitate the payment of budget subscriptions was adopted:

1. A monthly or quarterly report in the *Free Methodist*.
2. A department in the *Free Methodist* for field reports.
3. A placard regarding the payment of subscriptions for the use of local treasurers to be placed in the entry of the church.
4. A carefully prepared statement regarding the payment of subscriptions, signed by the bishops and given to every member of the church.
5. A uniform statement for the use of local treasurers to give to delinquent subscribers.
6. A special program in the interest of the general budget and stewardship to be given at the district and annual conferences.

The manager of the subscription department was authorized to publish the receipts for the budget by conferences.

B. J. Vincent and L. G. Lewis were appointed a committee to put on a campaign in the interests of the budget at the annual conferences to be held next spring and fall.

The following resolution was adopted:

WHEREAS, It is the judgment of a considerable number of our people that the general church budget is being hindered and the people embarrassed by the large number of appeals which are being made to the church for funds for various enterprises; and,

WHEREAS, There have come requests from several sections to the Board of Control to take some action relative to the matter; therefore, be it

Resolved, That we make the following statement to the church:

1. The Board of Control has held consistently to the following action which it took originally and which was published to the church on several occasions:

"It is the judgment of the Board of Control that when the stewardship campaign has been completed and the entire \$2,000,000 budget has been provided, that there will not be thereafter the same necessity for constantly appealing to our people for subscriptions for the various items represented in the budget; however, for the purpose of reaching new members and new friends who may come into the church, and to make up deficits and to meet unforeseen necessities, subscriptions may be taken as the conferences direct, or local societies concerned may think best."

2. One year ago when it became clear that only \$1,400,000 had been raised, and that some means must be found for providing the rest of the money which the church would require, the Board of Control took the following action:

"The Board of Control hereby announces that the restrictions with reference to general subscription taking outside of the budget are hereby removed, so far as the Board of Control is concerned, and the matter of taking such subscriptions will now be in the hands of the local officials, as noted in the paragraph above."

3. The Board of Control feels that it has no further power or jurisdiction in the matter, but would remind the various local societies, districts and conferences that it is entirely within their jurisdiction to approve or disapprove of appeals and subscription taking within their respective territories.

4. We commend the W. F. M. S. for their effort nearly everywhere to take cash offerings only, and to reduce the subscription taking to a minimum, limiting it to only such appeals as are necessary to reach new members and

friends who did not have an opportunity to respond to the appeal for the budget, or who for any reason have not done as much as they should for the cause.

5. We entreat our people everywhere to reduce the number of appeals for various enterprises as much as is consistent with the preservation and the normal progress of our work.

6. We appeal to those individuals everywhere, who have subscribed to the full amount of their ability on the budget in their territory, not to let their embarrassment at not being able to respond to further appeals stand in the way of such appeals' being brought to the attention of those who for any reason have not previously replied to such appeals.

The board ordered that hereafter an examination will be required on the whole of Burritt's "The Pupil and How to Teach Him."

MEETING OF THE GENERAL MISSIONARY BOARD, OCTOBER 20, 1921

Pursuant to a call published in the *Free Methodist*, the General Missionary Board of the Free Methodist Church of North America convened in its first sitting of the annual session of 1921 in the Free Methodist Publishing House, at 1132 Washington Boulevard, Chicago, Illinois, at two o'clock p. m., October 20, 1921.

The president, Bishop William Pearce, called the board to order and presided.

Devotional exercises were conducted by the president. Hymn No. 641, "Jesus Shall Reign," was sung, the thirty-fifth chapter of Isaiah was read and prayer was offered by Bishop W. A. Sellew.

The roll was called and seventeen members responded.

On motion it was ordered that one regular sitting of the board be held each day from 9 to 11:30 a. m.

During this session of the board there were eight sittings. The following is a synopsis of the business transacted and the reports that were given.

MISSIONARY SECRETARY'S ANNUAL REPORT

Another year has passed, and it is expected that a brief review of the missionary work as it has been carried on during the past twelve months should be presented. It is well occasionally to stop long enough to take a reckoning. Because of the unusual financial conditions which have prevailed throughout the year, we have at times feared that we would be crippled because of lack of funds, but our fears have been groundless, and we have come through the year without a deficiency.

The work we are doing may be grouped under three headings: 1. Evangelistic. 2. Educational. 3. Medical. In a limited sense in some fields we might add "social" and "industrial."

The direct preaching of the gospel has always been made the most prominent, and we believe that any line of work which does not either directly or indirectly contribute to the salvation of the soul should not be considered worthy of our support. From the reports received it would appear that the spiritual condition on all of our fields, and at nearly all of our stations is good. Special evangelistic meetings have been held at many points. Mention should be made of the determined effort being put forth in Japan, where several meetings have been held with excellent results. At Sumoto, where a revival was greatly needed, a two weeks' meeting was held, day and night, and great success attended the effort. About one hundred forty were at the altar as seekers. This was the first meeting held in the tabernacle which was sent them early in the year.

In China our work has been greatly affected by the famine. Our missionaries there, during the year, have handled a large amount of famine supplies. We are glad to be able to report, that, since the famine, a much greater interest is being taken by the Chinese people in the religious work than ever before.

The work in Africa is moving steadily forward. Excellent meetings have been held in several places with a good increase in membership. You will be asked to approve the opening up of two new stations. One a few miles north-east of Germiston, at Witbank, where a revival has been held and a good society organized, and one at Pilgrim's Rest, about one hundred miles northeast of Witbank, where Rev. J. P. Brodhead has located.

Most encouraging reports have also been received from India and the Dominican Republic. At several places there has been a large ingathering of souls.

The work among the Japanese and Mexicans in this country is prospering beyond our greatest expectations. Good societies are being organized in several of the coast conferences. Panama and the Canal Zone have held their own

during the year. There appears to be an opportunity to do a good work in Panama among the Spanish speaking people.

Next to the evangelistic work is the educational line of work, and in fact these go hand in hand. By the side of the church stands the school, and in some cases the church building is used for school purposes. This is the case in Panama and also in Macoris. We have Bible-training schools in Japan, China, India and South Africa, and one will soon be established in the Dominican Republic. An imperative call has also come from Inhambane for a training school in that region. Meanwhile we are being asked to enlarge the schools in Japan and India. Our visit to the Dominican Republic disclosed the fact that if we held that field, it would be necessary at once to establish a boarding school and enlarge our work in other lines. Accordingly the directors ordered a school building erected at Macoris. Plans have been made and accepted for this building, and active work will begin at an early date. Our schools at Natal are passing through a period of great prosperity. The reports show that a steady advancement is being made.

The medical work on our field is still in its infancy, but we are going forward, and a good foundation is being laid. Hospitals are being established in China, India and South Africa, and in order to obtain doctors for these institutions the board is assisting several young people in their medical course.

The first of September, seven missionaries who were on furlough were returned to the field, three to India and four to China, and four new missionaries were sent out, two to China and two to the Dominican Republic. During the year nine have returned from the field, four of these because of ill health. It is with great sadness that we note the death of Mrs. Evelyn Hendren, of the Dominican Republic. Mrs. Hendren was a woman of more than ordinary ability, and was greatly beloved by all who knew her. We bespeak the prayers of the church in behalf of her husband in this time of bereavement.

Special mention should be made of the coming to this country of the Rev. and Mrs. T. Kawabe. In harmony with the action of the board, they were invited to come to America and spend at least nine months. They landed in San Francisco the last day of March, and since that time they have been constantly at work, either among their own people on the coast or throughout the church. Their labors have been greatly blessed of God. Their presence among us has been an encouragement to the home work, and we believe their visit here will be the means of strengthening our work in Japan.

What are some of the pressing needs at the present time?

1. We need missionaries. According to our best judgment at least twenty new missionaries should be sent to our fields during the coming year in order to properly conserve the work. There are, in our church, more than two hundred young people who are preparing for foreign missionary work, but there are very few to be found who are prepared to go at once. We greatly need a few people of ability with some degree of experience who can be sent out this year.

2. We need many new buildings on nearly all of our fields. The building program at this time is too great for our resources and the board will be asked to decide how much we should undertake this year.

3. As usual we need money. To do what the missionaries have outlined for the coming year will require a foreign missions budget of more than \$200,000.

I will add that personally the year has been a very pleasant one. Our trip to the Dominican Republic, we believe to have been helpful to our missionaries and to the work there. I have endeavored in all matters to act carefully and in the fear of God. I wish at this time to express my hearty thanks for the assistance which has been given by the Woman's Foreign Missionary Society. The women of our church are a strong support, and are one of the factors which enable us as a board to accomplish the work which we are doing.

REPORT OF THE FIELD SECRETARY

My last report made to your honorable body was sent from the Canal Zone where my wife and I spent three months holding meetings and assisting Brother Amsden in the finishing of the church and mission home in Panama City on the Pacific, which was dedicated before we left for home.

I was enabled to secure funds of a friend, not a member of our church, here in Chicago to finish all payments on the building, and leave sufficient means with Brother Amsden to care for all necessary finishings of the building such as copper screening for the windows and doors, painting, cement walks, also quite a little furniture for the missionary quarters.

Wife and I sailed from the Zone the early part of December for New York by way of Haiti, and landed about the middle of the month. On the way to Chicago after spending the first Sabbath at our two churches in Buffalo, I was taken with a violent fever, which later was pronounced to be malaria, no doubt occasioned by a few mosquito bites while in the Zone. This with pneumonia which set in brought me to the river's brink in a few days where I was given up to die, but the intercession of my wife and the saints from East to West and from North to South changed the decree. Though I had so nearly gone over I felt death had no sting, and to have gone would have been gain. When conscious, and able to pray, I asked to be spared to His work and my dear ones. As I see it now, I would not have this first severe affliction taken from my life, for the end has been a nearness to God never known before; also the possibility of being able to suffer with others in like affliction.

It was impossible to travel or engage in active work until the early part of last February, when we held a revival meeting for a few days in Denver, and I have since been able to continue in my work being almost constantly in the field holding special meetings in the interest of missions, soliciting funds personally and assisting in revivals and camp meetings.

The month of April was spent entirely in the interest of the budget. I have preached or addressed various congregations over 160 times since being able to resume work, visited nine conferences in the interest of the work, and have traveled over 18,000 miles aside from the 2,500 on the sea in our return trip from the Zone.

Wife and I have never had such great reason to be thankful to God and His saints as in the past year for the loads of benefits. No one could have been treated with greater kindness and consideration than we have been, and we are indeed grateful to all, and above all to Him, our Master and Redeemer. Our greatest joy has been in seeing a goodly number seek and find God in the meetings held.

I have secured the following for the missionary work, which does not include supporters of native workers or orphans except in one case: \$6,700 on the annuity plan at 5%, with no provision for return of principal; \$500 at 6% on the annuity plan, with provision for return of principal in case of sickness or disability, in \$50 payments; cash, \$8,165.20; subscriptions, \$2,401. Cash and subscriptions for the budget, \$8,180; property deeded worth at least \$12,000. Total of all funds raised, \$37,946.20.

My expenses in traveling from January 1 to September 15, 1921, have been \$189.43, which has been paid entirely out of the offerings given me for assisting in meetings, or handed to me personally by friends, and at the present I have more on hand for expenses than at the first of the year.

A detailed account of all expenses is filed for reference with the treasurer.

MISCELLANEOUS ITEMS OF BUSINESS

The general conference evangelists, S. K. Wheathike, A. D. Zahniser, E. Ballenger and B. W. Huckabee, read their reports which were, on motion, received and placed on file.

The general missionaries reported their work. These reports were received and placed on file.

Rev. and Mrs. T. Kawabe and Miss Minnie K. Hessler from Japan, and

Miss Ida B. Rice from Africa, were introduced to the board and invited to speak.

Executive committees were elected for India and Japan as follows: India, S. D. Casberg, Edith M. Santee and Effie L. Southworth; Japan, Roy W. Millican, H. H. Wagner and Oliver R. Haslam.

The following officers were elected for the various mission fields: China—E. P. Ashcraft, superintendent; Mattie J. Peterson, treasurer. Japan—Ruth Mylander, treasurer. India—Louise D. Calkins, treasurer. Dominican Republic—J. W. Winans, superintendent; Eva Whiffen, treasurer. Treasurers elected by the South Africa Conference are as follows: Inhambane District—Ralph J. Jacobs; for all other districts in Africa, A. E. Haley.

A memorial service was held at which tributes were paid to Mrs. Evelyn Hendren, Mrs. Louise Ward Vore and Rev. Alexander Beers.

Rev. W. W. Vinson, of the Southern California Conference, presented the needs of the home mission work in Southern California, and brought a request from the Home Missions Board and the conference that the General Missionary Board take over the home mission work in that conference. A similar request was made from the California and Oregon Conferences. The board voted to take all this work over and administer it, and also to take over the home mission work in the Washington Conference if so desired.

William Danner, general secretary of the American Mission to Lepers, and Dr. William C. Terril, of the Methodist Episcopal Mission in Inhambane, were presented to the board and spoke concerning the leper work in Inhambane. Dr. Terril stated that there were twenty thousand lepers in that district for whom practically nothing was being done. He outlined a plan whereby the two missions might cooperate in opening a leper asylum. The board took this suggestion under advisement. It was later indorsed and referred to the board of directors.

The board authorized the purchase of property at or near Witbank, Africa, and gave authority to open a new station in that section.

The building projects proposed in the various fields were carefully considered.

The establishing of a Bible training school in Inhambane was indorsed and the directors were authorized to go forward as soon as the funds would warrant.

The erection of a training school building in India was also indorsed. This school is to be named the Grace Barnes Memorial Bible Training School, and the secretary was authorized to raise money for the building and go forward with its erection as soon as the funds would warrant.

Executive committees and officers for the home mission work in the various conferences were elected. These committees are to have charge of the work in their respective fields under the supervision of the missionary secretary.

For good and sufficient reasons, action was taken whereby the organizing of a conference in Japan which had been ordered for next spring was deferred. Newton W. Fink was elected treasurer of the board.

The committee on rules presented a new draft of the rules and regulations governing missionaries laboring under the board. These were considered item by item, and after various amendments had been made were adopted.

The board adopted the policy of raising money for special funds rather than for individuals. This is to apply to all native workers, and to schools and orphanages. The missionary secretary was authorized to print a leaflet on the subject of special funds.

The resignation of Miss Ida B. Rice as a board missionary was accepted.

The question of the location selected by Rev. J. P. Brodhead in Africa, and our relations with the American Board were fully considered.

The board recommended that twenty new missionaries be sent out this year to the various fields and the missionary secretary was authorized to secure them. Missionary candidates were considered and several were accepted with a view to sending them out in the near future. Several furloughs were also granted.

Appropriations were made amounting in round numbers to about \$150,000, and the secretary was instructed to pay other appropriations which had been requested, provided the funds would warrant.

A home missions budget was adopted appropriating more than \$15,000 for home missions for the coming year.

Appropriations were made for general missions amounting to \$12,690.

The following names were ordered placed on the Honor Roll: Rev. and Mrs. E. H. Stayt, Esther D. Clark and Mrs. Evelyn W. Hendren.

The next annual meeting of the board is to be held October 19, 1922.

GENERAL MISSIONARY BOARD (Incorporated June 19, 1885)

1. CORPORATE NAME.—“The General Missionary Board of the Free Methodist Church of North America.”

2. OBJECT.—“To collect, receive, hold, expend, pay out and dispose of any property, real or personal, or of whatever nature, and wherever situated, as allowed by law, that may be given, obtained, or held in aid of the general missionary work of the Free Methodist Church, either on the home or foreign field.”

The Master's great “Commission” calls for more laborers. Who will help the board to send them forth?

FORMS OF BEQUEST

BEQUEST FOR MISSIONS.—“I give and bequeath to the General Missionary Board of the Free Methodist Church of North America, incorporated under the general laws of the State of Illinois, for foreign missions, the sum of [here state the amount]; and the receipt of the treasurer thereof shall be a sufficient discharge to my executors for the same.”

If it be a devise of land the following form should be observed: “I give and devise [here give the title of the board as above] the following lands and premises: that is to say [brief description here]; to have and to hold the same, with appurtenances, to the said board, its successors and assigns forever.”

If the bequest is for home missions, observe the form as above, excepting, insert the words “home missions” in the place of “foreign missions.”

Bequests to the Church Extension Board the same as the foregoing except the name of the board.

THE BETTER WAY

A better way to aid these general benevolences of the church, if possible, is to make your gifts while you live, according to one of the following forms:

WOMAN'S FOREIGN MISSIONARY SOCIETY OF THE FREE METHODIST CHURCH OF NORTH AMERICA

W. F. M. S. Executive Committee

The eighteenth annual meeting of the Executive Committee of the Woman's Foreign Missionary Society convened in their headquarters in the Publishing House, October 17, at 10 a. m., with the first vice-president, Mrs. R. E. Sellow, presiding. Those answering to the roll call were: Mrs. R. E. Sellow, Mrs. E. L. MacGeary, Mrs. L. C. Jensen, Mrs. E. L. Hogue, Miss A. P. Carpenter, Mrs. Julia A. Muffitt, Mrs. E. F. Shay, Mrs. C. T. Burritt, Miss H. E. Sheldon and Mrs. C. T. Bolles—every member except the president, Mrs. Mary L. Coleman, who was unavoidably hindered from being present. This was her first absence since the organization of the committee, and it was much regretted by all.

The usual reports were given by the separate department superintendents and secretaries, and there was no discouragement brought.

The young people's superintendent reported a very pleasing increase both in membership and in interest and organization. The cooperation of the young men and women in mission study and interest is to mean so much in the future when they will take the place of the older ones now in the work.

The junior superintendent gave an encouraging report. In the separation of the young people from the juniors there was necessarily loss in numbers, but others have come in to make a total gain. Improvement was shown in standard societies, in study classes, and nearly \$8,000.00 was raised by the juniors. There was special encouragement from the Southern portion of the work. One Canadian conference reports nearly every junior superintendent reading the **Tidings**. [Others please take notice.]

The home missions interests, opening up with opportunity for us, required considerable discussion. One Indian woman, Julia Smart, is now to devote all of her time to evangelizing her people, and a salary of \$200.00 was voted her. New Japanese work opening up in Oregon demands attention; increase in the North and the South on the West Coast work requires an increase of helpers and money, as well as the work in Kentucky; and some recommendations were made to the missionary boards for a change in the conduct of the home missions work.

A plan was decided upon for thank-offerings by the whole church, to be gathered in mite boxes and opened once a year. Home missions day for annual public meetings was set for the last week in November.

The report of the box committee showed that over \$5,000.00 had been raised for boxes, both home and foreign. To the corresponding secretary there has been reported \$13,813.00 given for boxes and benevolences, which proves that not all was reported to the box committee that should have been.

The mission study secretary's report was especially encouraging, showing a large increase in classes, which will bear fruit.

The treasurer reported \$135,612.94 raised through the regular channels and the budget.

The report from the literature department reassured us that the books and leaflets were being increasingly read, and the department is ready to supply any reasonable request for material needed in our work. The **Missionary Tidings** has not been a financial success and needs better support, and a campaign was planned which it is hoped will bring 1,000 more subscribers. Every local society will hear from the committee later.

The applications of nine candidates were acted upon.

The corresponding secretary's report gave encouragement in the increase in all memberships, especially among the young, a total increase of 2,222 in all. The per capita giving is less this year than last—\$4.56 in contrast with \$5.45 last year. But this is hardly representative as much going through the budget has not been counted in this figure.

Mrs. M. L. Coleman was elected delegate to the annual meeting of the Federation of Women's Boards for Foreign Missions also the Council of Women for Home Missions, and Miss A. P. Carpenter was elected reserve delegate to the same.

Mrs. E. L. Hogue was made delegate to Winona Lake Summer School of Missions, and Mrs. L. C. Jensen was elected to be reserve delegate.

Considerable time was taken in discussion of our new home mission problems, the plans for increase in efficiency, our proper relation to other missionary organizations, the matter of candidates, and our relation to the budget; but in all the spirit of real harmony prevailed and blessing crowned the annual meeting of the Executive Committee.

C. T. BOLLES, Cor. Sec.

Report of the W. F. M. S. Corresponding Secretary, 1920-1921

Again we come up to October, and pass another milestone with thanksgiving for "thus far the Lord has led" us on. The measure of progress has not been as great as we wish, but we believe there has been a real increase in knowledge of the needs, in all lands; for there has been more than three thousand dollars worth of missionary books sold from our own shelves alone. This must bring a vision to some, and will surely bear fruit in days to come.

Some of the evidences of fruitage will be seen in the increase in membership in some of the conferences, as shown in the statistical table given later, which can be carefully studied to advantage.

The conferences showing the largest gain in membership:

Southern California	261
Illinois	255
Oil City	246
Kansas	235
Wabash	222
Pittsburgh	215

Those showing a gain of over 100 are as follows, in order:

East Michigan, 186; Michigan, 168; North Michigan, 160; California, 142; Washington, 129; West Kansas, 104; Colorado, 101. This is fine, but the percentage of gain in some smaller conferences is very encouraging, as for instance in Nebraska there is shown 127 per cent gain; while in Georgia and Florida there is 35 per cent gain.

We do not want to discourage any, but believe there could be an improvement in the fourteen conferences showing a loss, at least in giving reports from the local societies. Those showing loss are Susquehanna, 244; New York, 66; Columbia River, 57; Minnesota and Northern Iowa, 55; Saskatchewan, 54; Oklahoma, 47; Arkansas and Southern Missouri, 33; Kentucky and Tennessee, 31; South Dakota, 30; West Ontario, 25; Oregon, 20; Wisconsin, 16; Southern Oregon, 15; North Dakota, 6. But we are confident that this is largely due to the lack of reporting properly. As proof of this see the reports as follows: North Dakota supports three workers in Africa, twelve letters were written to missionaries, 77 books and 246 leaflets were read, home mission boxes were sent to three points—all in His glad service. From another, Oregon, much work reported done in drying fruit for the missionaries; many live study classes; young people and juniors gaining in numbers, as evidenced by twelve young men and women offering themselves for service at the conference meeting; much home mission work was done.

Saskatchewan reports some having moved out of the country, but there must be some earnest workers to support nine girls in Pondoland school, Africa; to support Canadian missionary, Effie Cowherd, in India; to raise \$267.62 for home benevolences. South Dakota is still astir enough to send missionary boxes of considerable value to the foreign and home fields. Southern Oregon is moving forward—is reading more **Tidings**. Susquehanna, showing the greatest loss, has a good many live members left, for they have seven American missionaries representing them; a goodly number of native workers and orphans are supported by them; and much is done for foreign boxes and home benevolences. Another conference showing loss is West Ontario, whose 684 juniors are outnumbered in only two of the largest conferences—Pittsburgh with 1,236 and Oil City with 755. But with East Ontario showing the next highest number of juniors, 550, we believe Canada will help to strengthen the fields in which she is now quite well represented.

Among those showing gain we report as follows:

Central Illinois young people are in the foreground as student volunteers, as workers for home fields, one society making fifty towels for McKinney College; the W. F. M. S. fittingly celebrated its twenty-fifth anniversary at conference, where it was noted that the first year less than fifty members were reported as against 835 this year, while the amount of money raised had grown from nearly \$100 to over \$4,000; much good is done by returned missionaries' visits, and by the mission study class of which they have the highest number.

Colorado is active in home mission work. They have lost a good conference officer this year in the death of Mrs. Georgia Goodspeed.

East Ontario has an active interest in the work for the Indians among them; they raised a splendid box for Effie Cowherd; have a reading circle, each member of which agrees to purchase and read at least one missionary book.

Iowa is planning a more aggressive program for the next year.

Michigan conference is very much alive to the home mission work. All of the districts have been sending boxes, helping outgoing missionaries, working for the city missions—Polish and Jewish; also for leper missions.

Nebraska has made splendid gains this year. Lincoln juniors raised \$23 for missionaries' child in Japan.

North Michigan has a vision of the needs at home and abroad and is supplying them. The seniors made a gift of \$35 to Grace Somerville and the juniors added \$23 from mite boxes. "We feel greatly encouraged with the progress in North Michigan W. F. M. S., it surely has God's blessing." New societies and new study classes have been organized.

North Minnesota is supporting a worker in Japan, worked for Bertha Ahlemeyer in the mission among the Japanese, sent three rugs to China hospital, helped sufferers from drought in Montana, and is reaching out for new home missionary work.

Oil City has increased in mission study, and special work among the many juniors; there is missionary zeal among all the officers; and progress on all lines; has largest **Tidings** subscription list.

Pittsburgh has largest number of active, honorary, life and junior members of any conference. Raised \$150 for Kentucky mission and \$127 for Epileptic Home.

We might expect Southern California to make highest gain in membership with her intensive activity on all lines. "Home mission work is prospering greatly."

Wabash has some standard societies. Splendid work is done among young people and juniors; Westfield local has taken a room in Dr. Backenstoe's hospital in Africa to care for.

West Kansas juniors made an impression at conference with an excellent exhibit of their work in great variety, including seven quilts.

West Ontario juniors are taking a lively interest in their work.

The opportunities for home mission work are being presented so rapidly that we must earnestly work in harmony with the Constitution and keep the subject before the people, and get their cooperation in raising the necessary money to meet the needs.

Let us push the study classes, the sale of books and leaflets, the sale of calendars, the extending of the **Tidings**—all of which will be educational work and will surely bear fruit in lives and money.

Let us not be content with the addition of 222 new members to all the different departments, but push forward and all bring up, under God, our individual standard of service.

"Not to the strong is the battle,

Not to the swift is the race,

But to the true and the faithful

Victory is promised, through grace."

In spreading the blessed missionary truth let us not forget that our splendid literature department, under the care of Miss A. P. Carpenter, 1134 Washington Boulevard, Chicago, can supply us with the books, leaflets and material we need. Constitutions and blanks free for postage.

Respectfully submitted,

C. T. BOLLES.
